BRIDGE MISSION SUMMER PROGRAM

POLICIES

Payment Due Dates and Policies:

Registration Fee: \$50 per participant due with registration form

Second payment: Half of remaining balance due April 1

Final payment: Final payment and group roster due one month prior to the start of your visit

Security deposit: \$100 deposit due upon arrival at SSPC. Money will be deducted from the security deposit for lost keys or damage to facilities or equipment.

Cancellation Policy:

If your group must cancel, payments paid up to April 1 will not be refunded.

Please be aware that we put a great deal of time and effort into planning each week of the program. Holding a spot for your group means that we are taking an available time in which another group would not be able to come. If another group requests the same dates you have tentatively selected, we will notify you and you will have two weeks to turn in your initial deposit to hold your spot.

ADULT / YOUTH RATIO AND POLICY

Youth must have completed 6th grade.

- Ratio: 1 adult per 6 youth
- Must have at least 2 adults in attendance (even if you only have 6 youth)
- Must have 1 adult of each gender if you have both boys and girls in attendance
- If there is a married couple or a couple that is related, they count as 1 adult on the trip. *(According to our child policy, since married couples cannot testify against each other.)*
- There must be 2 adults sleeping in the same room as youth. If this cannot be done, adults will sleep in a separate space.
